# This Week's In-Store Tasting

## Friday (4/27)

### 3 pm - 6 pm

La Familia Cider  
Salem, OR

**From our Familia to yours . . .** Our family settled down in the Willamette Valley in the 70's. We spent summers working hard in the strawberry fields chasing our American Dream. Those days were so challenging but at least we had each other. We love Oregon and it will always be our home but we are also very proud of our Mexican roots. Our Ciders began with the original recipes of our mother, Lourdes. She used only quality ingredients, an authentic handmade process and her love of cooking. We use 100% Northwest Apple Juice...no water or artificial flavors added! Our ciders do not go out into the community unless every ounce of cider is perfect!
